A new Sub-Committee was elected in November 2014 to oversee the development of the new library of **Ενωση Ελλήνων Αιγύπτου & Μέσης Ανατολής, Μελβούρνη της Αυστραλίας (EEAMA)**

The area that was decided, is situated off the foyer of EEAMA's 'Star International Reception' at 1C Bell Street, Preston, Melbourne

EEAMA's 'Library Sub Committee' is undertaking a big task, as there are a lot of books, memorabilia and trophies to review and decide the amount of space and shelving that will ultimately house EEAMA's many years of history and what other equipment a modern library should accommodate.

The new library will be open for viewing when it is complete.
